Homework - week 11

Dear parents,

We have already finished the unit 16 (Weekend with my family) and we continue with the unit 17(Weekend with my friends). This week students will work with the vocabulary. They will learn definitions, make sentences and write their own texts.

Please cut the flash cards that are part of unit 17 and glue them on index card. The pictures should be on the front and the words on the back side. Write your name on each flash card and keep them organized with your card ring because I will check and grade them as homework.
