Archiepalooza Annual Art Fest (February 9th, 2019)

Project: written proposal due Monday November 26th (hard copy in hand)

We all like the challenge and excitement, so, the idea for the most applauded fashion show this year will come with a total twist.

Yes! This year the greatest show, **"Circus-Circus"** will feature it's very own "Trashion Show."

This year our school "models for a day" will create their **"pret-a-porter"** fashion wear out of recycled materials that will include newspapers, cereal carton boxes, favorite chips bag's, plastic cups, bottles or even caps, favorite store bags, tablecloths, tourist maps, duck tape, craft paper and what ever more your imagination may lead you to.

We've been talking about this for months, and some of you have started collecting items to put this together! Congrats on that, because procrastination for this is a definite "no, no."

Have fun guys and enjoy the process!!!!

Here are some ideas, but be creative and make your outfit unique! You might want to do "troop" work with your friends...use same materials different out fits....to resemble one story. **Due Date: January 22nd, 2019**

Archiepalooza (February 9th): worth 2 Final Test Grades (set up/clean up/show/art exhibit) ALL STUDENTS MUST PARTICIPATE.
