

## Square of Opposition Homework

You have a **CHOICE!** Choose one of the 2 options below for your homework next class:

### 1. **OPTION 1: Google form**

Complete the Google form: <https://goo.gl/forms/eYJOj3BHeFoPSdEE2>

Score: 10 questions worth 10 points each

You should only need the following rules to complete it (based on the activity we did in class):

A & O are always opposites (T/F)

E & I are always opposites (T/F)

A & E can NEVER both be T

I & O can NEVER both be F

### 2. **OPTION 2: Dance**

Be able to recreate the 1<sup>st</sup> minute of dance from this video: [https://www.youtube.com/watch?v=eXvZXLU\\_92k](https://www.youtube.com/watch?v=eXvZXLU_92k)

Score: 10 points off every time you are off from what is being shown in the video.

If you choose this option, you will come to the front of the class and I will project the video. You cannot look behind you at the video and must be able to recreate the dance.
