Week of April 15, 2019

1. You should have finished all the lessons from your ELA Performance Coach book except Lesson 11 and the pages from Strand 3 Review to the end of the book. After you take the FSA ELA Reading exam, I will collect the book and give you a quiz score for your work and notes in the book.
2. Please check to make sure you are completing your assignments on **Commonlit.org**.
3. There's also a new **NoRedInk** assignment due next Tuesday.
4. Make sure you have turned in The Tales of the Greek Heroes. You were assigned the central idea and vocabulary multiple choice questions and answers for Chapters 1-5 two weeks ago then 6-10 a week ago. These assignments were collected already. By the beginning of next week, you need to have the Part A and Part B multiple choice questions and answers completed for chapters 11-15.
