

Dear Scholars, and Parents,

HW 6 includes 2 projects:

A) Filling out, gluing, and decorating a handout “All About Myself and My Country”. Paste things that represent you and your country. Make it pretty. Be creative.

B) Using Project A, as your guide, memorize, or write the 8 sentences out on a large cue card (off camera), so that you can say/ read them to the camera.

Be creative. Where your country’s flag to represent, or hold a poster showing something about your country. You can even hold up your project from section A!

Mom or dad need to help with the next steps:

- a) Record the video of your child speaking the 8 sentences from project A.
- b) Upload the video to a program like We Transfer or Dropbox (or a similar program).
- c) Send the LINK ONLY to my email: michella.silvestros@archimedean.org
- d) Make sure the subject of the email is formatted with following information:

Class Section: **“2A/2B/2C/ 2D/ or 2E”**

Scholar’s **first and last name**

“VIDEO LINK”

Example: 2A – John Doe – VIDEO LINK

****** Please do not try to send the video file. Our school’s email cannot handle large media files from all of the scholars. Make sure the link that you send in your email, is working properly before sending it to me.

Both project are due by Monday, Oct. 28, 2019.

Thank you,
Ms. Silvestros
