Timeline of my Life

What to do:

Complete and assemble the timeline in order.

What it should have in my timeline:

- ☐ A minimum of 6 events in order, but no more than 10 events.
- ☐ Complete sentences (capital letter, makes sense, punctuation)
- ☐ Child written work, not parent (no typing).
- ☐ Child drawn pictures and/or photos.
- ☐ Glue together to make a long strip (should be folded to turn in)

Parents read the next page with more details.

DUE: Next Wednesday, 10/23

10/15/19

Dear Parents,

We have been learning all about sequence of events and timelines in reading/social studies. Attached you will find a template for a *Timeline of my Life*. Please work together with your child to fill in this timeline based on their life up until now. The timeline should include dates and events that have been important and meaningful in your child's life.

Some examples:

Date of Birth, first steps, first words, sister/brother was born, first day of kindergarten, lost first tooth, etc.

Requirements:

- A minimum of 6 events, but no more than 10 events.
- Complete sentences (capital letter, makes sense, punctuation)
- Child written work, not parent (no typing). We do not expect perfection!
- Child drawn pictures and/or photos.
- Glue together to make a long strip (should be folded to turn in)

Grading - We will be grading the following:

- 6 events (or more)
- Events are in order
- Complete thoughts/sentences are written in each box
- Each box/event includes a drawing or photo

We hope you have fun looking back on these moments with your child!

Any questions, please email your child's reading/social studies teacher.
