Student Participation

____ Nine weeks

Student Participation Log

Throughout the nine weeks. Mr. Bithman will award BITH CHIPS, worth 1 point each, for different tasks such as: answering questions correctly, following directions, providing unique, on target perspectives, etc. It is your responsibility to keep track of your points and get this paper signed each class by Mr. Bithman in order to get a signature. BITH CHIPS must be turned In at the end of each period in order to get a signature. If you lose your log, you lose your points - ACT RESPONSIBLY!

Two participation grades will be given during each nine-week period. Participation for the first half of the nine week period will be accounted for the WEEK BEFORE PROGRESS REPORTS, while the Second half of the nine weeks will be accounted for on the SECOND TO LAST WEEK of the grading period. These two time frames and the points you've accumulated will determine the grades you receive for participation.

Students who are more active participants tend to get a better grasp of the material, internalize more complex ideas, and do the best on tests, so be sure to try your best to get involved! Once you have reached ten points in any half, you will accumulate bonus points which can be used for incentives like homework passes or additional points on assignments! IF YOU PLAY WITH THE CHIPS IN CLASS, YOU WILL LOSE A POINT! – CONDUCT YOURSELF APPROPRIATELY!
