Building A Reader At Home

Explore Books!

Give your child an opportunity to explore books. Visiting a library or bookstore gives your child a chance to find topics and books that interest them.

Read, Read, Read!

Make sure to read for at least 30 minutes per day! Children can read independently, aloud to an adult, or back and forth with a partner.

Ask Questions!

- Predictions
- Characters
- Main Idea
- Problem
- Solution
- Retell Story
- Genre
- Moral

Make it Fun!

Reading shouldn't be a chore. Intentionally read with your child/discuss books but also research topics and do book activities together.

Be an Example!

Children learn by example, so let your child see you read whether it be a book, newspaper, cookbook, etc.

For Beginning Readers:

- Point out and read words in natural settings — stores, streets, etc.
- Memorize sight words
- Visualize the story in your head
- Ask questions before, during, and after reading
- Don't immediately tell an unknown word to your child. Instead, ask them to:
 - Sound out the word
 - Break the word into parts
 - Try a different vowel sound (long/short)
 - Use illustrations for clues
 - Skip the word, re-read sentence, and go back — what word would make sense?
- Can they understand what they are reading? Can they retell the story?
- Do they know most of the words?

For Advanced Readers:

- Notice interesting, new vocabulary words, and make it a challenge to use them in conversation
 - Read with expression
 - Explore non-fiction books and their text features (diagrams, table of contents, etc.) along with other genres as well
 - Compare and contrast books
 - Discuss connections to literature
 - Think of new titles for books
 - Explore multiple books from the same author
