

Guide to World History Quiz 4

This is an announcement and mini-study guide

Test Dates

A-Day Sections: Thursday, November 14

B-Day Sections: Friday, November 15*

Section Covered

- 2.1 The Assyrian Empire

Question Formats

- 5 true/false questions
- 5 key term questions
- 10 multiple choice questions

Study Tips

- Review key terms by completing **2.1 Key Terms**
- Expect two questions on the Bronze Age Collapse (maybe focus on the factors that led up to it?)
- The Kassites played a pretty minor role... but they brought some significant technology with them!
- Review the early motivations that the Assyrians had for conquest.
- Be able to describe why the Assyrians were so hated and why the Assyrians did the cruel things that they did.
- Consider how each strategy the Assyrians used to keep power backfired on them.
- The Medes will play a bigger role in the next Mesopotamian section (3.2 Persia) but expect one question on them.
- The Chaldeans are pretty important, so be ready to get some 'big-picture' questions on them!
