The Summer Vacation Showdown

"Family meeting in five minutes!" Dad called.

Melody read the last page of the chapter and closed her book. Marty put down his Legos. Both walked into the living room. Their dad was sitting on a chair. They sat down on the couch.

"Good, you're early," Dad said. "I wanted to talk to you about the family vacation this year."

"Myrtle Beach!" shouted Melody.

"Disney World!" Marty yelled at the same time.

Dad ignored them and said, "We can only do one family vacation. You're going to have to decide which place you want to go. I'm leaving it up to you."

Dad got up and walked out of the room.

"You're crazy, Marty. Disney World is so crowded! We'll never get to do anything fun," Melody started, "But at Myrtle Beach, we can all have fun!"

"Yeah, right. Sit and read all day. That's fun," Marty said as he rolled his eyes.

"Well, it's better than standing in a line all day!"

"But the rides are fun, Melody—"

"You mean when we finally get to ride them?" Melody said as she stood up. She stared at her brother. Fire danced in her eyes.

"Well, of course you're going to ride them. What else do you think you're going to do? Watch everyone else ride them?"

"Probably. Anyway, Myrtle Beach is better. We could go swimming!"

Marty was so mad at his little sister. She was just not getting this. He had been waiting his whole life to go to Disney World! And this was his chance! Only his sister stood between him and the summer vacation of his life. He looked at his sister. She was still staring at him. She was not going to back down. Unless...

"Melody, you know something?"

"What?"

"Well, you know, Disney World has pools. And they not only have pools but the coolest pools! There's one where you can actually hear Disney songs playing underwater."

"Wow, really?"

Melody's eyes got bigger and bigger. Marty knew that he was almost there.

"That would be so cool!" Melody said.

"Yeah, it would be! You could still go swimming and have your favorite songs, too!"

Melody thought about this for a minute. Maybe Myrtle Beach was not as good as Disney World.

PD-US tag

Many countries have Thanksgiving. In the U.S. it is very popular. The Pilgrims and Wampanoag Indians are a symbol of Thanksgiving. Food, fun, and family are traditional.

Thanksgiving

Do you like turkey? Thanksgiving is a holiday with an abundance of turkey. It comes on the fourth Thursday of November in the U.S. Other countries have it on different months. Thanksgiving is historic and popular.

Thanksgiving has been a historic holiday for being thankful. The Pilgrims helped make it popular. They came from Europe to America. At the time, they were new to the land and were not successful with the move, so they suffered. The Pilgrims were starving and sick. The Native Americans called the Wampanoag assisted them. The *Wampanoag* helped them survive. They showed them crop-growing skills. The Pilgrims honored and thanked the Native Americans by sharing Thanksgiving with them for three days!

Thanksgiving is one of the most popular holidays in the U.S. One reason is people get time off of work. Students get out of school. There is a meal of tradition with turkey, stuffing, and pumpkin pie. There are football games. Families go shopping and people visit each other. These are some of the main reasons Thanksgiving will always be a popular holiday.

1. What is the main idea of the information in the text? _____

2. Write one key detail from each paragraph to support the main idea. _____

3. Explain how the picture and caption connect to the passage. _____
