**Step One:** Write and explain in Greek What you will write about, and What you will draw about (a few sentences for each) Due January 28th (extra time: Monday, February 3rd)

**Step two:** Use one of the three options (typed double spaced a page long) :

- 1) essay, describe the drawing
- 2) poem, what this drawing makes you feel or think
- 3) Story, decide the setting and the characters, the plot and the finale considering the friendly people, and the sunny beaches of one of the most beautiful ancient places in the world.

**Step three:** Scholars may have to make some corrections after my feedback. In case it is needed share your google docs here at my personal email: [maria27pappa@gmail.com](mailto:maria27pappa@gmail.com)

This is not a group project.

Scholars could work with a friend but they both must prepare their own drawings and their own writings.
