

# M9X & M9Y - Advanced Placement Statistics - Chapter 6

## Probability - Definition and Basic Properties

February 11, 2020

Dear Students,

Please carefully study sections §6.1 through §6.3 of your textbook. These sections introduce the basic concepts and properties of probability.

Once you finish studying, proceed by answering the following problems: 6.8, 6.10, 6.12, 6.14, and 6.26

As always, your work should be uploaded electronically and not turned in by email or on paper.
