

GETTING YOUR CHILD STARTED:

Hi parents!

As we continue to navigate through these weeks of Digital Learning, we will be incorporating different resources as we go along. Please follow the instructions below on how to access the websites for this week:

Learning Without Tears ***(Handwriting)***

Click this website [LearningWithoutTears](https://www.learningwithouttears.com/) and find "Create An Account" under "Handwriting Interactive Teaching Tool."

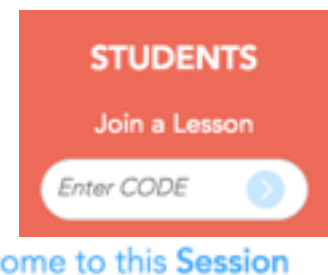

Create an account under "parent" and choose the yellow "My Printing Book". Watch the video tutorial to better learn how to navigate the site.

Follow the 2 pages assigned for that day and guide your child in the **correct formation** of the assigned letters. **Please note that this book is not available for print but has been selected to help students form their letters correctly. Please complete on a separate sheet of paper. (Submission on Archie not required.)

Nearpod

Click this website [Nearpod.com](https://nearpod.com/) and join as a Student using the code specified on the rainbow lesson plan.

Have your child type their name in the *nickname* box. As they complete the activities on each page using the toolbar, they will need to press the *Submit* button for the results to be recorded.
