

Science HW: Week April 6th- 10th

Vocabulary:

characteristics

habitat

shelter

Additional Vocabulary: Animals External Body Parts
(see chart)

Monday

Page One: Animals External Body Parts (We will use the chart during our online session.)

Page Two: Cut and glue pictures of animals in the corresponding columns.

Wednesday

Page Three: What's a Habitat? (We will use the booklet during our online lesson, and it will be completed after class.)

Page Four: Habitats (Match each animal to its habitat.)

Friday

Page Six: My Book About... (Write and draw about your favorite animal.)

Notes: 1) On the days listed above, we will discuss the topics on the pages in that order. Any work is to be completed by scholar after online session.

2) "Animals external Body Parts chart" and "What's a Habitat?" booklet are reference pages for the scholars. Don't send it back with the completed HW for the week.

Best,

Mrs. Coogan
