

Music Cinemath Lesson 3/Quaver L9 week 05/11 - 05/15

TOPIC: MUSICAL STYLES – POP

STEP 1: Complete Cinemath Lesson 3

- 1.** Watch my Lesson 3 on Cinemath and take notes from it.
- 2.** In this lesson you will:
 - Learn about how Pop music became popular and how this genre has evolved.
 - Learn about an interesting instrument in Pop Music: The Drumitar
 - Top Artists of Pop
 - Listen to Lean on Me interpreted by the vocal ensemble Straight No Chaser. The history and inspiration behind Bill Withers' song.

STEP 2: Complete Lesson 9 on Quaver

- 1.** Complete **Lesson 9** by login to www.quavermusic.com . Use the browsers Chrome or Firefox to avoid technical glitches.
- 2.** On Quaver Lesson 9 you will:
 - Complete the entire lesson to get credit!
 - Watch a short video “ Evolution on Pop Music”
 - Complete and submit tab #6 , do not forget to submit the assessment.
 - Listen to **Lean on Me** interpreted by the vocal ensemble Straight No Chaser.
 - Listen to the song again and pay attention to the message the song is hoping to convey.
 - What genre of music do you think "Lean on Me" falls into?
 - How can you be a helper and allow others to "lean on you" while you're staying home from school? Maybe this is how you can help your family or even your friends while you are not able to see each other everyday at school.

How to Log in on Cinemath/Music

- 1.** Go to cinemath.archimedean.org and login with your Archie username and Password
- 2.** Click on the AMC CineMath Portal tab
- 3.** Click on your grade
