

Post your responses to the NY Times Article “In a Digital Age, Students Still Cling to Paper Textbooks” here. Remember, I want all of the following: SWABI style thesis, a body paragraph with a topic sentence to your paragraph, quote weaving and analysis, and a transition sentence to either another paragraph, a counter-claim paragraph, or a concluding paragraph.

For 8D and 8E, you should also write a conclusion.

Bonus. If you finished fast and want more practice, then do a conclusion as well. For D and E, do a counter-claim sentence.
