

Hello scholars and parents! This week we will practice the 12s times table and review all multiplication facts by playing games.

Please complete **1 i-Ready lesson (BLUE LESSON)** for Math this week. It will be graded on completion (assigned as of Thursday – can be completed from Mon-Sun).

Please complete **100 CORRECT questions on Sumdog** for their Tuesday assignment for this week. They will practice the times tables on Sumdog.

Below you will find a schedule for this week's MATH classes including the topics we will work on and Assignments for each day.

There is no packet to be submitted this week.

DATE	CLASS ASSIGNMENTS
Monday May 25	HOLIDAY – MEMORIAL DAY
Tuesday May 26	Assignments to be completed today: 100 questions Sumdog
Wednesday May 27	Virtual Class – Zoom Lesson: 12 times table
