**Geometry Students (8A, B, C, D & E)**

**From: Mr. George**

Re: Approved Calculators for Testing

Please have one of the following scientific calculator models, as approved by the Florida Department of Education for your FSA End Of Course Assessment in Geometry on May 24 th and 25 th 2021.

**ONLY THESE MODELS ARE ACCEPTED:**

**Handheld Scientific Calculators**

The following are the FDOE-approved calculators

- 1) Texas Instruments TI-30Xa**
- 2) Casio fx-260 solar**
- 3) Casio fx-82 solar**
- 4) Sharp EL-510R**
- 5) Sharp EL-510RN**

**Note:** It is enough If you already have one of the above calculators from last year and if it functions well.

**The brick-and-mortar students should bring them to school and give them to Mr. Mitsou by next Friday the latest. (May 21).**

**Mr. George.**
