

<https://bookriot.com/metamorphosis-metamorphosis-cover-design-exploration/>

1. To what extent should we honor an author's wishes? Are we wrong for ignoring Kafka's preference for the cover art of his novel?
2. Which of the below do you think is the best rendition of the cover of *The Metamorphosis*? Why? What theme or main idea from the story does it deal with? Talk to me about symbolism, color choice, font, or anything else that you notice.
