

Science Fair Updates

Hi all!

At this time, you are all ready to do your experiment! You must have your experiment, data table, and data graph completed by 10/13. You may upload to Archie here, or turn in a hard-copy in person.

You should also begin purchasing the board for your final product. The boards will be sold at our bookstore. Here is the link:

https://bookstore.archimedean.org/index.php?route=product/product&path=80&product_id=326

****Your board must be 36 x 48 inches****. Remember that there is a specific place to glue each section. If working ahead, email me for the directions on where to glue each section.

Please email me if you have any questions.

-Ms. Winkle
