

M9X & M9Y - Advanced Placement Statistics

November 13, 2022

Dear Students,

During the remainder of the year in our AP Statistics class, each one of you will work on an individual research project. As a first step, we need you to provide us with some background information. Your responses can be helpful in identifying topics for your individual research projects.

- List one or more topics that you have mastered well enough to teach others about:

- List one or more hobbies that you like to spend your free time on:

- List one or more topics that you would really like to learn more about:

Your answers should be handwritten in the space provided above and your response should be uploaded electronically in Archie.
