This Week in MS. Boxer's Class

-This week we will be learning about sound energy. We will review how we hear sounds and we will explore/investigate sound energy through different activities.

This week's homework is to be completed and turned in on Monday, February 10th.

HAVE A GREAT WEEK!

Science Words to Know

Sound: energy that you can hear and is caused by vibrations

Vibrate: to move back and forth quickly

Vibrations: create sound waves that move through the air and reach our ears

Homework

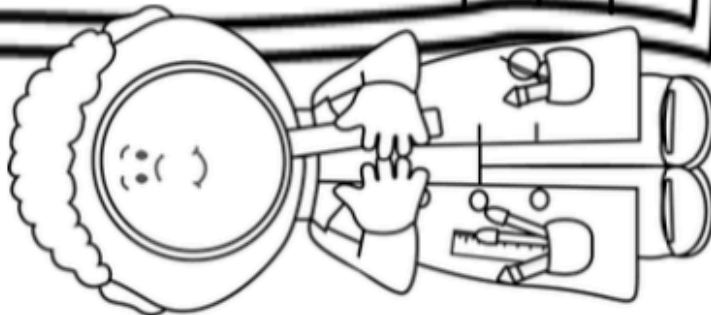

Page 1- draw and label three things that make sound
