WELCOME

ALL ABOUT ME

This year I will be teaching 1st Grade Language Arts, Reading, Writing, and Social Studies. I have a Bachelor Degree in PreK-Primary Education and a Master Degree in Reading K-12. I have been teaching PreK - 1st Grade students for 24 years. This will be my 4th year teaching at Archimedean Academy.

At home I have a 5-year-old son named Evan and 2 cats. I love spending time with my family. We like to go swimming, play games, cook, go to the zoo, go to the park, watch movies, and read together. I have a huge collection of picture books at my house!

I am very excited to be your teacher this year!
