# Hello, Family!

Welcome to kindergarten! Your child is probably full of questions about what's in store for the year ahead. Over the next month, our class will answer a lot of those questions as we work together to discover what kindergarten is all about.

We will read books about school and find out about schools around the world. Children will write about their favorite things and create a "Kindergarten Guide" packed with information to share with children heading to kindergarten next year.

## Bring It Home

Here are some ideas for practicing the skills we are learning at school.

For example: <i>First, brush your teeth. Then put on your shoes.</i></li> </ul>	<p>Reinforce these important topic words when you are reading or talking with your child:</p> <p style="text-align: center;">discover dream partners</p>

Where does it happen?</i></li> <li>• <i>What is the book about? What did you learn?</i></li> <li>• <i>Can the picture help you with the word ____?</i></li> </ul>	<p>Support your child to write about how he or she thinks or feels about something and why:</p> <ul style="list-style-type: none"> <li>• Ask your child to share opinions throughout the day. For example: <i>Would you rather have ____ or ____ for dinner? Tell me why.</i></li> <li>• Share opinions with your child using "I think" and "In my opinion."
