

Write your Problem Statement in the Science Fair Packet. If you do not have a copy of the packet, write your Problem Statement in your science notebook.

Take a photo of the problem statement and submit it in Archie as your HW under Problem Statement 9-1-2023.

If you have any issues submitting to Archie, please email the photo of your Problem Statement to me at [cynthia.toledo@archimedean.org](mailto:cynthia.toledo@archimedean.org).

Have a great weekend!
