

TEXTURE

In your sketchbook, you will create different samples of texture. Select the 6 textures you wish to illustrate out of this list: smooth, hard, soft, fluffy, rough, sticky, bumpy, slippery, fuzzy, prickly, wrinkly, squishy, silky, velvety, bristly, feathery, coarse, hairy, furry, scaly, grainy, sandy.

Draw 6 squares measuring 2 inches each and label them with a texture. Please see example below.

You can use your iPad to look for references online. When you are done, take a picture of your work and upload to Archie for a grade.
