HOMEWORK: 3.1 & Hispanic Heritage Mini-Presentation

REMINDER: Possible Pop-Quiz

Hispanic Heritage Month takes place September 15 to October 15 every year as a time to recognize and celebrate the many contributions, diverse cultures, and extensive histories of the American Latino community. On Thursday October 12, 6B and on Friday October 13, 6A, C, D, E, we will celebrate Hispanic heritage.

On your day, you will get to teach the class! Don't panic! This will be fun! I promise! Even if you are not hispanic, there are plenty of options for all. Please, choose from any of the following to help us celebrate and learn about your Hispanic heritage or any Hispanic heritage that you choose to present. **Feel free to team up with a classmate**, if your heritage is not hispanic, or if you simply just want to. However, **just teach us about one**. **Your presentation should be short and sweet, so that all your classmates get a chance to teach**. Some options are below.

Teach the class!

1. Tell us about dances or music. Show us! Let us hear and see it! (You can email it to me and I can project it or play it.)
2. Tell us about a dish, its history, and bring it to share! (Be sure it is something that can stay at room temperature or maybe something someone can leave at the front office for you to pick up during your History class time.)
3. Tell us about a special holiday that is unique to the culture. (For example, Cinco de Mayo.)
4. Tell us how the people from your country settled in America. What's the story?
5. Tell us about cultural outfits. Show us! (You can email me pictures and I can project it.)
6. Interview someone to ask them questions about their heritage. Share with us your findings.
7. Give us a Spanish lesson. Maybe share with us some words that are different among the various hispanic countries.

HW and CW grade: based on completion (Easy grade, as long as you do it, and you have something of value to share, and let's be honest, we are doing this to learn something new and for the fun of it!)

REMINDER: Check the gradebook to see if you have any missing assignments to submit. Email me to let me know you submitted.
