

## **The Time Machine: Group Reading & Google Slides Project**

GROUP CREATIVE PROJECTS must be a minimum of 12 slides up to 20.

**ONLY the following items: 29 // 31 // 38**

29 Think about the ways of life of the Eloi and the Morlocks. Think about what they eat and what they do with their time. Which would you prefer to be - an Eloi or a Morlock?

Explain your preference in the group slides.

31 If you could choose to travel back in time, which year would you choose? Which historical event would you like to see? Write about a time, a place, and an event and why you would like to be there.

Use Google Slides to detail the choices.

38 Imagine that someone from 100 years ago has traveled forwards in time. Write a conversation with them in which you explain the changes in the world and how to live in today's world.

**[If you are absent from class for more than one day, you must complete this by yourself]**
