Εργασία για το σπίτι (Homework)

Hello Students and Parents. Students should be able compare numbers up to 100 and say the comparisons in Greek. They should also be able to solve the additions by adding the friends of 10 first. Use the links below as a guide for the pronunciation:

<https://cinemath.archimedean.org/> → (login with archie username and password) → click on “The AA Cinemath Portal” → Grade 1 → 1E → Greek Math → Numbers tab → “Compare Numbers”

and also

<https://cinemath.archimedean.org/> → (login with archie username and password) → click on “The AA Cinemath Portal” → Grade 1 → 1E → Greek Math → Additions tab → “Additions using the friends of 10”

Practice with your children for the best results.

Students have to return the completed homework in their red folders by Thursday Nov 9.

If you have any questions or concerns, please do not hesitate to communicate with me:
