## Εργασία για το σπίτι (Homework)

Hello Students and Parents. This week we will practice addition using the “horizo” method. We will continue to review all known known exercises so far. All the cinemath videos should be uploaded by Monday afternoon. Use all of them as a guide for the pronunciation:

<https://cinemath.archimedean.org/> → (login with archie username and password) → click on “The AA Cinemath Portal” → Grade 1 → 1E → Greek Math → Addition → “Horizo” method

Practice with your children for the best results.

Students have to return the completed homework in their red folders by Thursday Dec 7.

If you have any questions or concerns, please do not hesitate to communicate with me:
