

Name: _____ Section: _____

Homework

Welcome back! I wish you all a Happy New Year filled with health and happiness.

This week we will continue Chapter 8 (Understand Division)

Complete homework daily based on the schedule provided below. Please do not work ahead on homework assignments. Failure to complete homework will result in points deducted.

Scholars will complete a division quiz on Thursday, January 11th and a test on Tuesday January 16th.

Reminders

Please have your child use Reflex Math to master and reinforce their fact fluency. The 3rd Grade curriculum depends on a strong foundation in multiplication and division facts.

Extra Practice

Additional practice for the daily lesson is available on HMH. To access login in into HMH, go to assigned lessons. There you can find the assigned lessons for extra practice. Scholars can also review daily lesson on Archimedean Cinemath, under section 3A for all sections.

Notes

Please feel free to contact me with any questions or concerns at diana.charaf@archimedean.org.
