A Note From Ms. Varela

Students have been given extra resources to practice and review the curriculum covered in class.

This is optional, not graded.

- HMH interactive student edition. In HMH, click the 3 line guide at the top left and select Discovery to access all the book chapters.
- Cinemath.
- Reteach extra practice, available in the archie account, in the resources tab.

Weekly newsletter available in archie.sis

Homework

Scholars need to bring the rulers daily. This week we will complete Chapter 13 and begin Chapter 14. In chapter 14 the students will learn to estimate and measure the length of an object to the nearest inch, foot, yard, centimeter or meter by selecting and using an appropriate tool.

Monday IXL EBW Which customary unit of length is appropriate feet or yard?

Tuesday Scholars will take home the Chapter 13 Review.

Wednesday IXL G92 Measure length with objects

Thursday IXL KBA Compare lengths in centimeters

IXL HH1 Measure using centimeter ruler

Friday IXL HH2 Measure and compare length in centimeter

IXL HH3 Which metric unit of length is appropriate

The scholars took home the class workbooks. Please keep the workbooks at home. Scholars will be assigned select "Practice and Homework" from the workbooks.
