## Εργασία για το σπίτι (Homework)

Hello Students and Parents. This week we will review exercises that we have worked from the beginning of the year focusing on the Greek pronunciation. We will also introduce subtraction. New cinemath videos will be uploaded by the end of the week. Use all of them as a guide.

<https://cinemath.archimedean.org/> → (login with archie username and password) → click on “The AA Cinemath Portal” → Grade 1 → 1E → Greek Math → Addition → “Horizo” method

Practice with your children for the best results.

Students have to return the completed homework in their red folders by Thursday Feb 8.

If you have any questions or concerns, please do not hesitate to communicate with me:
