A Note From Ms. Varela

Students have been given extra resources to practice and review the curriculum covered in class.

This is optional, not graded.

- HMH interactive student edition. In HMH, click the 3 line guide at the top left and select Discovery to access all the book chapters.
- Cinemath.
- Reteach extra practice, available in the archie account, in the resources tab.

Weekly newsletter available in archie.sis

Homework

Scholars need to bring the rulers daily. This week we will complete Chapter 14. In chapter 14 the students will learn to estimate and measure the length of an object to the nearest inch, foot, yard, centimeter or meter by selecting and using an appropriate tool.

Monday IXL HH4 Compare length metric unit.

Tuesday IXL HH5 Which metric unit of length is appropriate?

Wednesday Chapter 14 Review take home.

Thursday IXL PPC Open and closed shapes.

Friday IXL II.3 Identify pentagons.

IXL II.4 Name polygons up to 6 sides.

The scholars took home the class workbooks. Please keep the workbooks at home. Scholars will be assigned select "Practice and Homework" from the workbooks.
