- slide/stack/roll

A Note From Ms. Varela

Students have been given extra resources to practice and review the curriculum covered in class.

This is optional, not graded.

- HMH interactive student edition. In HMH, click the 3 line guide at the top left and select Discovery to access all the book chapters.
- Cinemath.
- Reteach extra practice, available in the archie account, in the resources tab.

Weekly newsletter available in archie.sis

Homework

- | | |
|------------------|-----------------------------------------------------|
| Monday | IXL JJ4 Count vertices, edges, and faces. |
| Tuesday | IXL JJ6 Identify faces of three dimensional shapes. |
| Wednesday | IXL JJ7 Identify shapes traced from solids. |
| Thursday | IXL JJ8 Shapes of everyday objects I. |
| Friday | IXL JJ9 Shapes of everyday objects II. |

The scholars took home the class workbooks. Please keep the workbooks at home. Scholars will be assigned select "Practice and Homework" from the workbooks.

Freckle

Dear Parents,

The students are using a computer program in the classroom called Freckle. With Freckle, your child has been able to practice Math at his or her own ability level!

Your child has access the program. It is important that this practice is done independently, without any help at home. If your child is having difficulty with a concept, and the video tutorials on the site do not help, your child may either stop or go on to another section. I want the information that I gather from Freckle to be a true picture of your child's Math skills.

Thank you for supporting your child's education at home.

Sincerely,

Ms. Varela
