

American Math Homework Week 04/08 - 04/12

Vocabulary Words

- Place Value
- digit
- standard form
- word form
- expanded form
- thousands
- hundreds
- tens
- ones

A Note From Ms. Varela

Students have been given extra resources to practice and review the curriculum covered in class.

This is optional, not graded.

Scholars may use:

- Freckle, practice "Focus Skills."
- IXL, practice "recommendations" from the diagnostic.
- Cinemath.

Weekly newsletter available in archie.sis

Homework

In the upcoming weeks, our class will begin the crunchtime to prepare for the Math FAST PM3 and to get ready for 3rd grade.

- | | |
|------------------|---|
| Monday | IXL 73Y Word names for numbers up to 10,000. |
| Tuesday | IXL GEV Place value names up to thousands. |
| Wednesday | IXL 3M7 Value of a digit: up to thousands. |
| Thursday | IXL J85 Convert between place values up to thousands. |
| Friday | IXL FDT Convert between expanded and standard form: up to 10,000. |

The scholars took home the class workbooks. Please keep the workbooks at home. Scholars will be assigned select "Practice and Homework" from the workbooks.

Freckle

Dear Parents,

The students are using a computer program in the classroom called Freckle. With Freckle, your child has been able to practice Math at his or her own ability level!

Your child has access the program. It is important that this practice is done independently, without any help at home. If your child is having difficulty with a concept, and the video tutorials on the site do not help, your child may either stop or go on to another section. I want the information that I gather from Freckle to be a true picture of your child's Math skills.

Thank you for supporting your child's education at home.

Sincerely,

Ms. Varela
