<https://www.cpalms.org/PreviewResourceStudentTutorial/Preview/183128>

Take a screenshot of the very last slide as proof you completed it. Submit on Google Classroom. Be sure you are in a quiet space, OR be sure to have headphones.

**Denotation - refers to the dictionary definition of a word (literal meaning).**

**Connotation - refers to the "feeling" of the word. What the inferred meaning is.**

Complete all the practice exercises in this tutorial, and pay attention to the explanations. Expect to possibly have a pop quiz on these concepts this week. Submit tonight.

### **Tuesday**

1- Watch and complete HMH: Connotations and Denotations Level Up Tutorial.

2- In GOOGLE CLASSROOM you will find an attachment entitled "Denotations & Connotations." Read the passage and complete numbers 1-6 of the quiz on a loose leaf sheet of paper. Number 6 is heavily weighted. Make sure that you use proper grammar, indent your paragraph, and use a minimum of 5 words with either positive or negative connotations.

Must be done tonight.

### **Wednesday - Monday**

Complete HMH: Grade 6 Practice Test 2

You should complete all the questions to one passage in one sitting, and then proceed to the next passage and questions in another sitting. Try to not stop in the middle of one passage, and return to it later. This interrupts your thinking. If you must, then be sure to reread the passage before answering the questions. Do your very best. Due Monday. Manage your time as best suits your needs, as long as it is finished by Monday.
