## Εργασία για το σπίτι (Homework)

Hello Students and Parents. This week we will continue to review everything from the start of the year. We will also work on more difficult exercises on Addition with the “horizo” method. Cinemath videos in Greek are uploaded. Use all of them as a guide. **Make sure that the students are able to log in cinemath through their ipads.**

<https://cinemath.archimedean.org/> or the ipad icon → (login with archie username and password) → click on “The AA Cinemath Portal” → Grade 1 → 1E → Greek Math → All Chapters and Videos

Practice with your children for the best results.

Students have to return the completed homework in their red folders by Thursday May 9.

If you have any questions or concerns, please do not hesitate to communicate with me:
