

A few reminders for 6<sup>th</sup> Grade:

American Math

- There is a **test** next week on Tuesday (A-Day) or Wednesday (B-Day).
- I have posted an alternative Homework #57 for you to practice with. It will be worth **extra credit** if it is completed on the appropriate test date.
- I will be posting a summer assignment for the *incoming* 6<sup>th</sup> graders (not you, you are incoming 7<sup>th</sup> graders).
  - Please do not do my summer work.
  - Do the work Mrs. Constantinidou will assign for the summer.

General Announcements

- The **dance** will be held on Tuesday at the end of the day. You may dress up for it, but as Mrs. Moysidis said, no jeans.
  - You may come to school dressed.
  - Do **not** expect to change in the middle of the day (otherwise, there will be a line of 100+ students wanting to change clothes before the dance).
- For those singing in the 7<sup>th</sup> grade ceremony on Tuesday, you will only be there during the first portion of the ceremony. You will then report back to first block. Bring your bookbags – you WILL HAVE CLASS.

Have a good weekend!

*-Mrs. Moser*
