Dear Parents,

I am happy to welcome you to the 2020-2021 Archimedean Academy school year! My name is Ms. Silvestros, and I will be your child's Greek Language teacher this year. I look forward to a productive partnership with you to ensure our children can achieve their highest potential. We recognize that in order to be successful in school, our children need support from both the home and school, especially as we commence our year with Distance Learning. We know a strong collaboration with you will make a great difference in your child's education. As partners, we share the responsibility for your children's success and want you to know that we will do our very best to carry out our responsibilities. We ask that you guide and support your child's learning by ensuring that he/she:

- 1) Attends school daily and arrives on time, ready for the day's learning experience.
- 2) Completes all homework assignments.
- 3) Comes prepared for class, and with all necessary materials.
- 4) Comes with an eagerness to learn and enjoy class!

Each day, we will spend time perfecting the skills necessary to learn Greek as a foreign language, with a main focus on brain development through Greek language immersion in listening, speaking, reading, and writing.

It was nice seeing many of you at our Zoom Welcome meeting and I look forward to seeing you in person!

Your Partner in Education,
Ms. Silvestros
