

### Assignment 1: Italian Renaissance

- Select one work (painting or sculpture, no architecture), which you feel is a good representation of the ideals of the Italian Renaissance.
- Include a picture of the work.
- Identify the work (Title, Artist, Date, City, Medium)
- In your first paragraph describe the work: think subject, color, line, composition.
- In your second paragraph, connect the work to the ideals of the Italian Renaissance. Explain how your selected work reflects the ideals of Humanism, Civic Humanism, materialism, individualism, and secularization (if relevant).
