

Name: \_\_\_\_\_ Section: \_\_\_\_\_

### Homework

Hello Scholars and Parents. We will finish Chapter 4 this and complete the **Chapter 4 Test on Wednesday October 28<sup>th</sup>**. The test will assess mastery of division using the distributive property, regrouping and interpreting remainders. Scholars will begin Chapter 5 on Thursday. In this chapter, scholars will focus on finding all the factors of a number. Please feel free to contact me with any questions or concerns at [morales.zervos@archimedean.org](mailto:morales.zervos@archimedean.org).

### Reminders

The 4<sup>th</sup> Grade curriculum depends on a strong foundation in multiplication and division facts. The remaining chapters require scholars to be fluent in all the basic multiplication and division facts through 10. These skills were introduced in 2<sup>nd</sup> grade and should have been mastered in 3<sup>rd</sup>. Please have your child use Reflex Math to practice and reinforce their fact fluency.

### Extra Practice

If a scholar needs additional practice with the daily lesson, I have uploaded extra worksheets on Archie. To access the worksheets, please have your child login into Archie. Click on Resources, select courses, then My Courses. From there, you will see a drop down menu of each class. Go to American Math and click on Resources. There you will see worksheets for each section in the chapter.

### Notes

Homework is assigned through Think Central. If a scholar struggles with a question, the program includes tools providing step by step support as well as viewing an example. When scholars finish their homework lesson, please click on the button "**Turn It In**". **Completed homework is due by Sunday November 1<sup>st</sup>**. Students should take the time to prove and show all their work on a separate piece of paper.

<u>Monday</u>	October 26 <sup>th</sup>	– Think Central – Lesson 4.8
<u>Tuesday</u>	October 27 <sup>th</sup>	– Think Central – Chapter 4 Review
<u>Wednesday</u>	October 28 <sup>th</sup>	– No Homework
<u>Thursday</u>	October 29 <sup>th</sup>	– Think Central – Lesson 5.1
<u>Friday</u>	October 30 <sup>th</sup>	– Think Central – Lesson 5.2
