

Homework

Scholars will complete the Chapter 12 Assessment on Monday April 5th. We will begin reviewing Numbers and Operations in Base Ten for the Math FSA. It is important scholars takes the time to complete their homework, read each question carefully, and show your work. Extra practice is posted **on IXL**. Scholars will complete a quiz on Monday April 10th reviewing Numbers and Operations in Base Ten. Please feel free to contact me with any questions or concerns at morales.zervos@archimedean.org.

Reminders

Please have your child use Reflex Math to practice and reinforce their fact fluency. The 4th Grade curriculum depends on a strong foundation in multiplication and division facts.

April 9th - Focus Friday will review the Measurement Domain

Extra Practice

Additional practice for FSA is available on IXL. Practice for each 4th grade chapter is also posted on Archie. To access the worksheets on Archie, please have your child login into Archie. Click on Resources, select courses, then My Courses. From there, you will see a drop down menu of each class. Go to American Math and click on Resources. There you will see worksheets for each section in the chapter.

Notes

Homework is assigned through Think Central. If a scholar struggles with a question, the program includes tools providing step by step support as well as viewing an example. When scholars finish their homework lesson, please click on the button "**Turn It In**". **Completed homework is due by Sunday April 11th**. Students should take the time to prove and show all their work on a separate piece of paper.
