2nd Grade American Math Homework

Greetings,

Hope your families are all well. Last week, we completed the American Math Diagnostic also known as Math Inventory. Scholars who were absent, will complete it this week during specials.

This Friday Sept. 17th, the students will have their first Test for Chapter #1. In class, the students will complete a Chapter Review Lesson on Wednesday, Sept. 15th.

Please remind your children daily to bring their iPads fully charged to school. This week's homework is detailed below, homework is due by Sunday, September 19th.

Monday: IXL M.9 and M.10

Tuesday: IXL A.14 and A.15

Wednesday: Seesaw Performance Task. Instructions for the task are provided on the assignment page. This assignment will count as a project/quiz grade.

Thursday: C.3 and C.4

Friday: Please ensure students have completed all the IXL Teacher Recommended Lessons.

Thank you in advance for your support.

Your Partner in Education,

Ms. Varela
American Math, Archimedean Schools.
