## Homework – A Review of Altruism

**Instructions:** Use class notes and handouts to try and answer the questions below. Please answer in complete sentences. Make sure to explain your answer for full credit.

1. What is the difference between regular altruism and reciprocal altruism?
2. Why would the fact that humans have many “prosocial” behaviors lead scientist to believe altruism is real and possible?
3. Should “the right thing to do” always have a fact that supports it? Why or why not?
4. Why is the “is-ought gap” a problem for altruism?
