

Dear Parents,

On **Tuesday, November 2, 2021** we will have a **test for American Math.**

****Please see practice/review notes (emailed and on Archie) to help guide your child's preparation for the assessment.**

Some things it may include:

A) Numbers from 0-10 numerical, and vocabulary word recognition (be able to recognize the word name and associate to numerical value i.e 5=five). Vocabulary recognition: five, six, seven, eight, nine, ten

B) Friends of 5, 8, 10 (be able to show/represent ways to make 5, 8, or 10 with 2 colors for each set of counters):

i.e:

Friends of 5 = 0 and 5, 1 and 4, 2 and 3 etc

Friends of 8 = 0+8 1+7, 2+6, 3+5, 4+4 etc

Friends of 10 = 0 plus 10, 1 plus 9, 2 plus 8, 3 plus 7, 4 plus 6, 5 plus 5 etc

C) Counting order: a) Order numbers 1,2,3,4,5,6,7,8,9,10 b) Know which number comes before and after (i.e which number comes after 4?/ which number comes before 7?)

D) Greater than, Less than, Same as (i.e show a number that is greater than 4. Show a number that is less than 8. Show a number that is the same as 4)

E) Addition up to 10.

Wishing you a wonderful week,

Ms. Silvestros
