	Assignment	Date to be Completed
	Week 10 - Assignment #1	Daily

**Week 10- Assignment #1****(Science Fair Project)****Date Assigned:** Monday 10/25/2021**Due Date:** Friday 10/29/2021**Homework****Instructions:**

Follow the timeline in the Checklist in the Science Fair Packet. This week, you must complete the components:

1. Variables
2. Materials
3. Procedures
4. Data Table (Create the Data Table. Have it ready to insert your data during or after the experiment. The Data Table must have enough cells for the data you will collect and title for each column and row.
Reminder: You must include 3 trials and average for each trial.)

on pages 7, 8 and 9, in your Science Fair Project Packet (orange folder). Do not forget to have your parents sign on the Checklist after you complete your work.
