

American Math Homework Week 12/5 - 12/9

Name: _____ Class/Section 2(____)

HMH Chapter 10 Vocabulary Words

- regroup
- sum
- difference
- hundreds

A Note From Ms. Varela

This week, all scholars will complete the mid-year FAST STAR Math diagnostic on Wednesday, Dec. 7th at 8:00 am. Help your child be prepared:

- Charged iPads. Diagnostic is completed on the iPad.
- Be on time.
- Good night sleep the night before.
- Good breakfast the morning of the diagnostic.

Reminders:

- In the HMH app, scholars have access to the HMH Student Book and the interactive edition to help review the class material.
- In the student's Archimedean account, under the resources tab, you will find:
 - Supplemental material for extra practice for each chapter.
 - Directions to access your child's gradebook.
- In order to complete the STEM group project in class, scholars need to download the iMovie application in their iPad's at home. The iMovie application can be found in the self-service icon.

Homework

This week, Chapter 10 will be completed by Tuesday, Dec. 6th. Scholars will complete IXL Chapter 10 review lessons on Wednesday, Thursday and Friday to prepare for Chapter 10 test that is scheduled for Monday, Dec. 12th.

- ★ Monday IXL 55T (J.3) Use models to subtract from 3-digit numbers without regrouping.
- ★ Tuesday IXL 9G5 (J.5) Subtract across zeros
- ★ Wednesday IXL PQT (I.9) Write the addition sentence - up to 3-digits
- ★ Thursday IXL ZMA (J.8) Subtraction word problems - up to 3-digits
- ★ Friday IXL 5B3 (J.10) Write the subtraction sentence - up to 3-digits

Scholars are encouraged to use paper and pencil to solve the IXL questions and then write the answers in the IXL application.
