Make sure each person has a Gmail address and your group has opened a Google Doc and a Google Slides (shared) file.

At least one person must organize the Vocabulary Project

Each group (1 - 6) will plan and create the following 3 assignments by Friday, Aug 25th (Sec 8B due Thursday 8.24)

Ender's Game Study Guide Review and Summarizing Strategies

Open your file in GoodNotes. You will create two (2) new files.

Partner Project [no more than three people per group]

1. Use the 17 steps of the Hero's Journey and create a robust Google Slide Presentation sharing your information. Add a title slide and an introduction slide (there will be 19 slides)

Upload one pdf file of the completed slides in Archie by section.

2. Use each chapter/section's main ideas and summaries and combine this into one document in Good Notes (you may also use Google Docs by exporting the Good Notes file to a .docx and opening this file in Google Docs. The file will have a minimum of 10 paragraphs.

BONUS POINTS - add appropriate images and join Dr. Anderson's Canva account.

Upload one pdf file of the completed main ideas/summary in Archie by section.

Ender's Game Vocabulary Project

3. Each small group will be given a letter (or a few letters) of the alphabet.

Using the Vocabulary Workbook, create a separate list of the group's words with the definitions.

Create a crossword puzzle for the word list (20 words maximum).
