Dear students and parents the scholars will have to fill one page for Homework. **The kids have to write always their name in Greek (last name only if they can). They can see their name on the RED folder. Priority for now is to learn how to write their first name.**

You will have to print only the page with the Homework (the 2nd), complete it and put it in their red folder (Greek Language) every Monday. On Tuesday, September 5th, I will collect all the folders, I will check them and I will put them back in their backpacks when I have them ready. (Monday is Labor Day-no school)

Please return the Homework ready on time because if you are late it will have impact in their grade. **The best suggested time for the kids to complete the HW is from Thursday to Sunday** because I have to teach them first so they can understand what they are doing.

If a student for a reason does not come to school on Monday, he/she will give it to me the next day (without an impact in the grade). If it is easy, please email me so no forget to check the folder. **Always write your kid's name and section in the email.**

If you have any questions please feel free to email me

eirini.taratsa@archimedean.org

Thank you in advance for the cooperation.
